The Greater Monmouth Chapter of AFCEA International has long been tied to the Fort Monmouth community. Even with the closing of the Fort under BRAC 2005, the Chapter continues to support the local community. We are a member-based, non-profit international organization that has helped members advance information technology, communications and electronics capabilities since 1946.

The association has 139 chapters (including Student chapters) with over 30,000 individual members across the globe. No matter where you go within the international security community, you can find an AFCEA chapter to support you. Your network goes where you go.

Our local Chapter holds luncheons with speakers, including government representatives, that are of interest to its membership, supports the Department of Veterans Affairs and their events, provides various scholarship awards including the Jersey Shore Junior Science Symposium (JSJSS) regional event, and hold/support events that benefit veterans in general. We also co-sponsor events with other local professional organizations.

We need your support to continue the efforts outlined above, for without your participation we will not be able to continue to provide the important networking, scholarships, and community outreach that we provide today.

To provide the funding needed to support the Chapter’s overall community outreach programs, we have created a Sponsorship Program designed to fit most any company or individual. Each level provides the following benefits per year:

- Up to eight seats at Chapter luncheons per year (depending on level of sponsorship)
- Announcement of your Sponsorship through our various media platforms to include, but not limited to: Facebook and LinkedIn.
- Recognition at chapter events throughout the year.
- Special Logo recognition on our Greater Monmouth Chapter AFCEA website.
- Your support listed on Chapter event emails which are broadcast to the entire Greater Monmouth AFCEA membership database each year.

**Sponsorship Options Include:**
- **Platinum** - $2500, providing eight seats as outlined above per year
- **Gold** - $1,500, providing six seats as outlined above per year
- **Silver** - $750, providing 2 seats as outlined above per year
- **Bronze** - $250, providing name recognition as outlined above per year
